CARL J. ARBES
 PRIMARY EXAMINER

Reasons for Allowance

COMES NOW the Patent Office and states at least a reason for the Allowance for the instant Application, to wit: the the Prior Art neither teaches nor reasonable suggests a combination of method steps for retaining an illuminating cable assembly against a surface of a lid assembly within a media picker device, wherein the lid assembly comprises a rib that is spacially separated from the surface and is oriented above at least a portion of each of said surface, and method the method comprising the steps of positioning the illuminator cable assembly on the surface of the lid assembly, and arranging a retaining cable assembly on the surface of the lid assembly, and a manner such that said retaining mechanism applies sufficient force against said illuminator cable assembly to retain the illuminator cable assembly against said surface.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to C. J. Arbes whose telephone number is 571-272-4563. The examiner can normally be reached on M, T, R and F from 8 to 6.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, P. Vo, can be reached on 571-272-4690. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should
